Announcements

The Mayor addressed the meeting in respect of the latest position on the coronavirus pandemic. The country was now 12 days into a new national lockdown. Prior to the new national restrictions, South Yorkshire had been in the highest level of the regional tiered restrictions. There was no doubt that South Yorkshire, alongside much of the North of England was, and very possibly would remain, in an incredibly vulnerable and dangerous position in relation to the spread of the virus. On that basis, it had been agreed with the Government for South Yorkshire to enter into Tier 3. The same considerations of health and wellbeing for the communities would drive any future decisions about how South Yorkshire must respond as the national restrictions were eased in December 2020. These were difficult times for the communities, businesses and the public services across local government, together with social care and the health services.

It was hoped that the restrictions would start to bring down the case numbers and enable matters to resume back to normal as soon as possible. A coronavirus vaccine was now in sight, which for the first time in 2020 was a cause for optimism and hope. It was considered that science, technology and a great mobilisation of the public health system, army and local government would get us through this difficult time. The Mayor considered that it was perhaps now the time for the Government to acknowledge that it was indeed the experts, whether they be the scientists or local government, that they should listen to.

In relation to the coronavirus restriction support, the Mayor stated that setting aside the hope for 2021, focus was being given to the here and now. He was pleased to observe that today's meeting demonstrated the commitment to deliver real and tangible support to help the economy and weather the shock. This included extending the employment scheme Working Win to support a further 450 people with mental or physical health conditions to stay in or find work until March 2021, to put in place a £30m package of support for businesses that worked with the national support schemes, to support the local councils with financial support to deliver to the communities across South Yorkshire, to continue getting spades in the ground and cranes in the sky with the capital programme and to agree the investment of a further £45m of resources to deliver business support schemes, skills and employment support and a further programme of capital works to enable the economy to move.

The Mayor stated that in relation to the Flood Summit, that whilst COVID-19 had been a focus, the impact on the communities across South Yorkshire following the flooding that had occurred just 12 months ago had not been forgotten. The Government had been pressed hard at the long-awaited Flood Summit, on their commitment to South Yorkshire, and they had subsequently been challenged to match the new commitment of £5.5m to protect 860 homes across South Yorkshire and to help ensure that the transport system was more resilient.

In relation to the Comprehensive Spending Review, the Mayor stated that he had kept up the pressure on the Government to help South Yorkshire build back better with a submission to the Government's Comprehensive Spending

Review, whilst pressing the importance of a longer term funding settlement for the region. The Mayor recognised that this was an incredibly busy time for everyone. He believed that this was a moment where the value of the Mayoral Combined Authority was being demonstrated.

The Mayor was grateful to the Local Enterprise Partnership Board Members and all of the business groups that had contributed to the plans, together with the Members of the Mayoral Combined Authority that had worked long days and nights to make all of this happen.

11 **Covid Tier 3 Restrictions Support**

A report was presented to update the Board on the outcome of negotiations with Central Government together with an outline of how the funds received would be deployed.

The Mayor stated that on Saturday 24 October 2020, South Yorkshire had entered into Tier 3 of the Covid restrictions as set out by Central Government, which had been at the end of the negotiations with the Mayoral Combined Authority, South Yorkshire local authority leaders and the Government. The tier system had then been replaced by a month-long national lockdown for England from 5 November 2020. Nevertheless, there was a need for decisions to be made on the £41.3m support that had been secured comprising of £11.3m support for track and trace and public health related activities, together with a £30m package for businesses and residents to mitigate the economic and social effects of the restrictions.

Councillor Dore stated that this had been an incredibly difficult time for everyone. The £30m package was very welcome, but she considered that it was definitely not enough when looking at the individuals and organisations in particular the small businesses, freelance workers, sole traders and the self-employed that had fallen through the cracks in the Government's scheme. She considered that the work undertaken across South Yorkshire had been incredibly difficult, however she was really pleased that this had collectively and collaboratively concluded with a common scheme across South Yorkshire which would help those people that the Government had allowed to slip through the cracks in the scheme. She expressed her thanks to colleagues and officers who had worked incredibly hard to get South Yorkshire to this point.

The Mayor stated that he was sure that Councillor Dore's sentiments would be shared across the MCA.

Councillor Houghton CBE reiterated the positive nature of the Government's scheme and the help that was required by the businesses. However, prior to the national lockdown, South Yorkshire had been allocated £30m as a Tier 3

area, but the money had been utilised to support the impact of the national lockdown. At the same time, the Government had allocated equivalent amounts of funding to other areas within the country going into the national lockdown. Therefore, South Yorkshire would be no better off than other areas within the country. The Government had indicated that post lockdown, that the areas would move back into their tiers which would mean that those areas returning back into Tiers 1 and 2 would have a financial advantage over South Yorkshire, as the restrictions placed upon Tier 3 were much more severe than those in Tiers 1 and 2. It was important for South Yorkshire to receive additional funding to support the position in December 2020. He had raised the position with the Local Government Association who would address the matter with the Ministers.

Mayor Jones CBE concurred with the comments made by Councillor Dore and Councillor Houghton CBE. She emphasised the need to press the Government hard that South Yorkshire should not be put at a disadvantage, and that its businesses and residents deserved better. She was delighted to note that Councillor Houghton CBE had liaised with the Local Government Association who would press the Government.

The Mayor agreed with the comments made and the urgent need to continue to press Government for additional financial support for the businesses and communities within South Yorkshire. The Spending Review would take place next week, which would provide a further opportunity for the Government to invest into the region.

RESOLVED – That the MCA:-

- i. Noted the agreement reached with the Government to support public health activities and also businesses and residents and the subsequent work on the detail of those strands.
- ii. Agreed to accept the grant of £30m for the purposes set out above.
- iii. Delegated authority to the Section 73 Officer to accept the money and put in place sub arrangements.

12

Renewal Action Plan

A report was submitted which presented the priority interventions that had been endorsed by the Thematic Boards for implementing the Renewal Action Plan objectives in the immediate term.

The Mayor stated that in response to the social and economic impact of the coronavirus pandemic, the Renewal Action Plan had been published and submitted to the Government earlier this year. The Plan had laid out how £1.7bn of investment in the region's people, businesses and places could kick-start the fightback to the ongoing crisis. The Plan had also formed the core of the submission to the Government's Comprehensive Spending Review, which later this month would be drawn down to a one-year review. He added that regardless of the Government's decisions, the process of prioritising and delivering some of the much-needed interventions must commence.

Councillor Read considered that it was correct to provide as much support as

possible within the MCA's gift to support the local economy through what was likely to be an incredibly difficult situation over the next few years, in particularly to help people get into work or to stay in work, and to support local businesses. He considered that it was correct to agree the report in principle, and he looked forward to helping to develop more detail around the schemes moving forward.

RESOLVED – That the MCA:-

- i. Considered the RAP interventions that had been prioritised by the Thematic Boards as set out in Annex 1 to the report.
