The SCR Provider Network (Skills & Employment Support)

Remit

The Sheffield City Region Provider Network is an independent subscription based network, offering members:

- The opportunity to network and collaborate with other network members. Full access to an SCR Online Communications Portal, providing information from across the sector specific to the SCR along with SCR LEP information and commissioning alerts;
- Access to a forum for sharing knowledge and experience between providers for their mutual benefit and to improve delivery across the SCR as a whole;
- The opportunity to stay connected through a local industry update service, direct from the SCR LEP and other network members, including AELP;
- Access to our members area and online forum to enable best practice sharing.
- Free access to SCR Provider Network meetings giving you access to briefings from funding agencies, AELP, SCR LEP and combined authority Meeting and other workbased learning bodies and providers.
- Increased visibility across the FE, Skills & Employability sector within the SCR and nationally through our strong links to the AELP
