M1 J37 Phase 1 - Claycliffe	The purpose of the scheme is to deliver highway improvements to A628 Dodworth Road / Pogmoor Road crossroads which is a key arterial route on BMBC's principal road network. The highway improvements will facilitate economic development by unlocking prime development land currently constrained by highway capacity	Completion date extension from 31.03.21 to 31.12.2021 and reprofile of outputs and outcomes.	The A628 Dodworth Road / Broadway Junction Highway improvement scheme main contractor are currently on site delivering the scheme. Ground Stabilisation works were required which involved the procurement and appointment of specialist contractor prior to the main civils works taking place. This, and coupled with the COVID-19 Pandemic has resulted in a delayed start on site subsequently impacting on the completion date.
