This paper presents a revised Code of Corporate Governance which reflects the findings of the Annual Governance Review which concluded in June 2021.

#### **What does this mean for businesses, people and places in South Yorkshire?**

This paper and the revised Code of Corporate Governance will provide assurance to the businesses and people of South Yorkshire that the MCA and LEP is committed to good governance and that the outcomes, or the results of our activity, are defined and achieved and that the Authority is accountable, open and transparent in the way it operates.

#### **Recommendations**

Members are asked to consider the revised Code of Corporate Governance (appendix A).

### **1. Background**

- 1.1 The scope of the Authority's governance and internal control framework spans the whole of the organisation's activities and, as recommended in the CIPFA/SOLACE Framework Delivering Good Governance in Local Government 2016, is described in the Authority's local Code of Corporate Governance.
- 1.2 This Code stands as the overall statement of the Authority's and Local Enterprise Partnership corporate governance principles and commitment. The Code demonstrates that the governance arrangements comply with the core and sub-principles contained in the Framework.

### **2. Key Issues**

- 2.1 In line with a commitment to review the Code of Corporate Governance annually, the Code has been reviewed, proposed amendments are shown as tracked changes in Appendix A. The Audit and Standards Committee considered the revised Code at their meeting on 15<sup>th</sup> July and have recommended the revised version to the Combined Authority Board.
- 2.2 Summary of proposed changes:
  - a) Paragraphs have been numbered throughout for ease of referencing.
  - b) Page numbers have been added to the document for ease of referencing.
  - c) In view of the MCA Board's approval to rename the MCA to South Yorkshire Mayoral Combined Authority in June 2021, and the Code being applicable for the financial year 2021/22, all references to Sheffield City Region MCA have been removed.

It is proposed that a number of commitments are strengthened or amended as follows:

- d) Para 3.6: "Reports of any breaches or potential breaches will be fully investigated by the MCA's internal audit partners." has been added to the end of the paragraph.
- e) Para 3.8: The sentence lengthened with the addition of "through the strategically aligned investment of gainshare monies and using the additional borrowing powers derived from the devolution deal."
- f) Para 4.3: An additional bullet point has been added, specifically the 2<sup>nd</sup> bullet point, stating "Ensure that the views and experiences of communities and businesses of South Yorkshire are taken into account when developing strategic documentation and planning schemes, projects or programmes".
- g) Para 5.1: The paragraph now commences with "The authority's corporate plan is built around the objectives of building a stronger, greener and fairer City Region; both the authority ..."
- h) Para 5.2: The 4<sup>th</sup> bullet point has been changed with the addition of "at the earliest possible opportunity" and now reads as "Appraise schemes seeking investment against a robust set of criteria that consider and balance the

combined economic, social and environmental impact of policies and plans *at the earliest possible opportunity, where appropriate*”

- i) Para 7.2: New bullet points, specifically, the 2<sup>nd</sup> and 3<sup>rd</sup> bullet points:
  - a. Has in place a robust recruitment and selection process from which successful candidates proceed to the completion of induction training.
  - b. Provides opportunities for Members and Officers to enhance and strengthen their knowledge and skills, in relation to their strategic roles, by providing training and development opportunities as necessary
- j) Para 8.2: The 10<sup>th</sup> bullet point has been updated and strengthened (see bold/italic text) and now reads: Ensures ***secure, robust*** and effective arrangements are in place regarding ***the processing of data (including personal data), this includes (but is not limited to) mandatory GDPR and Data Protection training for all Officers.***
