Summary

As the 'Responsible Authority', the Mayor of South Yorkshire Mayoral Combined Authority is required by law to lead, prepare, publish, review, and republish a Local Nature Recovery Strategy (LNRS) and to have regard to statutory guidance in the process. Officers have prepared a governance structure to ensure the prepared strategy takes into account the needs of South Yorkshire as a region, the views and challenges faced across our region, and creates a strategy that is deliverable.

Recommendation(s)

That the Committee note the attached update on the Local Nature Recovery Strategy.
